

EC3A Lag B'Omer/Friendship

Art:

1. Create a picture for a friend.
2. Buddy painting with someone you love
3. Tape 2 markers together and draw
4. Create a fire with red & yellow paint- spread it out with a fork
5. Mix red & yellow paint with wheels from a firetruck

Literature:

1. Create a book about you and a friend.
2. Compare the letters in your name and your friends names. Do you have the same letters? What letter do the names start with? What letter do the names end with?

Math:

1. You can write each letter on a rock or pieces of paper to count each letter 1 at a time. Count letters in your name and friends names. Do you have more or less letters? Who has the most letters? Who has the least letters? Who has the same number of letters?
2. Grab a deck of cards and play Gold Fish with a buddy.
3. Collect sticks to create a pretend firepit. Count the sticks and compare the sizes. Place red, yellow, orange paper in between the pile.
4. Place pony beads or buttons on a stick. How many did you put? Create a pattern.
5. Scavenger Hunt- (It will be attached)

Fine Motor Skills:

1. Cutting with scissors. Create flames for your pretend bonfire
2. Cut a heart in half. Share one half with a buddy.

3. Friendship bracelets
4. Creating a magical friendship wand! After beading the sticks, Tie a ribbon at the top, Glue a paper heart, star, etc at the top.
5. Cut on line through brown paper to create logs for bon fire

Science:

1. Make S'mores
2. Experiment- Materials: cup, paper towel, tub of water. Place PT inside of the cup. Make sure PT is tight inside and won't come out. What do you think will happen to the paper towel if you place it down in the water? Place cup straight down. Do not tilt it or the experiment won't be accurate. The PT stayed dry!!!
3. Create a friendship fruit salad
